GENERAL NOTES

All Judges, Demonstrators, Teachers and Speakers are reminded that, if they are unable to fulfil an engagement, it is their responsibility to make every effort to find a substitute and submit their name to the Club concerned. They may, however, withdraw from the commitment without obligation, if unavoidable, six months prior to the meeting.

JUDGING

When organising a competitive show Clubs are advised to submit a draft copy of the schedule before printing, to the appointed Judge for comment and guidance.

OPEN MEETING

The definition of an open meeting is when the meeting is advertised as an Open Meeting and tickets are sold to others than Club Members or where there is a group Meeting of Clubs and the audience is larger than 150.

COMPLAINTS

The Club, not an individual, should write to the Judge, Demonstrator, Teacher or Speaker within 3 weeks stating the reason for dissatisfaction. It could well be that the Demonstrator etc. is unaware that they have not given satisfaction. Remember that the Demonstrator etc. has a point of view too *and* may feel that criticism of a Club is necessary. If either party feels the necessity to write to the JDE&S Committee they should send copies of all correspondence and the relevant Blue Form to the JDE&S Chairman. This procedure applies only to persons appearing in the **Area List**.

If a complaint relating to anyone on the **National List** is considered necessary the Club should contact the relevant Area Representative who will advise as to the procedure. This should be done as soon as possible, ideally within six weeks of the event.

NAFAS Blue Forms, available at Council Meetings and from the Area Secretary, should always be used for booking Judges, Demonstrators, Teachers and Speakers.

AREA TESTS

Any candidate who wishes to take a test in another Area should apply in good time through **Mercia & North Wales** JDE&S Committee so that the necessary arrangements can be made.

TRAVEL ALLOWANCE

NAFAS Recommended Mileage Rates as from April 2022:

Judges, Demonstrators, Speakers & Teachers may claim mileage at the NAFAS recommended rate of 45p per mile, but mileage charged/paid is for negotiation between Judge/Demonstrator/Speaker/Teacher and the club concerned.

Adjudicators and Instructors may claim mileage at 4.5 miles to the litre of fuel – pump prices.

NON-AFFILIATED CLUBS

Non-Affiliated Clubs can expect to pay significantly more for Judges, Demonstrators and Speakers, as they have not made any contributions towards training and further development of Judges, Demonstrators and Speakers.

CODE OF PRACTICE for CLUBS, DEMONSTRATORS, SPEAKERS and TEACHERS

The following is based on the NAFAS Code of Conduct document issued 2016.

BLUE FORM

1. All parts of the Blue Form either in paper or electronic format must be returned promptly showing Day and Date in writing
2. This Agreement does not constitute a binding contract until Form C has been signed and returned to the Demonstrator/Speaker/Teacher. It is important that all relevant information be stated and adhered to by both Club and Demonstrator/Speaker/Teacher
3. It is important that **two Club Officers'** addresses with telephone, preferably mobile, numbers are supplied on the Blue Form
4. **Allowance for Flowers/Materials** - An indication should be given when the initial booking is made. A proportion of the allowance can be set against garden plant material. The agreed allowance should not be exceeded without prior agreement, full reimbursement should not be automatically expected
5. If a Demonstrator/Speaker/Teacher is VAT Registered, then VAT is payable on the total account
6. The Indemnity Clause, addendum to Part B, must accompany Blue Forms
7. If the Demonstrator/Speaker/Teacher has agreed to judge the monthly competition, the title should be given in advance and adequate time allowed for judging
8. **Special Requirements** - To prevent misunderstandings, if anything abnormal is requested, a covering letter should always be sent
9. **Accommodation** - Private house or good class hotel, preferably with off street parking, should be agreed in advance with the Demonstrator/Speaker/Teacher
10. Advance settlement by Club of hotel accounts avoids embarrassment
11. Ensure adequate refreshments are always offered to the Demonstrator/Speaker/Teacher

HOSTING DUTIES

1. Ascertain time of arrival and **reserve parking space**
2. Ensure change available to pay any parking fees
3. Assist with unloading and re-loading. **Adequate strong helpers required**
4. Offer refreshment and identify locations of cloakroom/dressing room
5. Unless help is requested, leave Demonstrator/Speaker/Teacher to prepare in peace
6. Any electrical equipment should be in situ and tested prior to the arrival of the Demonstrator/Speaker/Teacher. Identify location of any electrical sockets and light switches

CHAIRMAN

1. Ensure that all committee members have a copy of this leaflet and are fully aware of these requirements
2. Ensure help is on hand if requested by Demonstrator/Speaker/Teacher
3. Give notices about NAFAS, Area and Club
4. Research information to introduce the Demonstrator/Speaker/Teacher
5. Organise the Vote of Thanks
6. If necessary supply suitable wrapping for raffle prizes
7. At end of meeting organise helpers – some Demonstrators/Speakers/Teachers prefer to dismantle their own arrangements, but all are very grateful for plenty of helpers to re-load the vehicle
8. At night, if the vehicle is parked away from the venue, someone should always accompany the Demonstrator/Speaker/Teacher and wait to check that the vehicle starts
9. Chairman to be on hand to say farewell and thank you to the Demonstrator/Speaker/Teacher

GOOD COMMUNICATION BETWEEN CLUB AND DEMONSTRATOR/SPEAKER/TEACHER HELPS HARMONY AND CREATES EXCELLENCE FOR MEMBERS

THREE WEEKS BEFORE

Reminder phone call and letter/email to include:

1. Name, address and telephone number of Programme Secretary (change may have occurred since initial booking)
2. Send a map and confirmation of venue location and **(postcode)** and identify any major road works or changes since booking. Tolls and parking fees to be paid by the Club
3. **Confirm** day, date, time, venue and title and agreed time for gaining entry into hall. Full address and telephone number/mobile number of the venue, together with instructions for parking
4. Stage size and layout
5. Demonstrator/Speaker/Teacher must be advised if audience numbers vary from the original estimation
6. Name, address and directions to overnight accommodation
7. The agreed allowance for flowers and materials. Provision and supply of foliage, if requested
8. ALL PARTIES MUST HAVE their mobile phones switched on
9. If a monthly competition is to be judged, titles and expected number of entries

Demonstrator/Speaker/Teacher should acknowledge receipt of this letter/email promptly, confirming that all details are correct and understood

Driving conditions are becoming increasingly hazardous and having a travelling companion is a sensible precaution. Due consideration should be given to this by all Demonstrators/Speakers/Teachers. Please refer to the Extreme Weather Conditions Guidelines on the NAFAS website.

The Club should extend the courtesy of light refreshments for both Demonstrator/Speaker/Teacher and companion

The Demonstrator/Speaker/Teacher should advise the Club beforehand of the possibility of an accompanying companion. The Demonstrator/Speaker/Teacher is responsible for any meals and overnight accommodation for the companion

CANCELLATIONS

CLUBS and DEMONSTRATORS/SPEAKERS/TEACHERS

The Blue Form constitutes a binding contract and both parties may, if unavoidable, withdraw from the commitment without obligation up to six months prior to the meeting

Within six months of the meeting, the Demonstrator/Speaker/Teacher is expected to find substitute(s) of equal standing

Clubs may decline the substitute(s) but are then responsible themselves for finding a replacement

If a Club cancels a meeting within six months, any fees and expenses incurred are the responsibility of the Club, subject to negotiation

CLUBS – MAKE THE MOST OF YOUR VENUE

Is the stage in place and clear? Are there any obstructions on stage that the Demonstrator/Speaker/Teacher should note?

Is the layout of stage as required? Are the correct number of tables available?

Is a microphone to be used? Is it radio, clip, headset or stand type? If necessary do you have a spare battery?

Is the lighting adequate? What type? spot or floodlights? May candles and special effects be used and inform Demonstrator/Speaker/Teacher of any changes

If the background is 'busy' – are plain portable fabric screens available?

Water may be required – are tap and buckets available? You may need permission to use water on stage

Hall should be booked with sufficient time for the Demonstrator/Speaker/Teacher to prepare, perform and repack. Preparation time is, on average, for Club meetings approximately 1-2 hours, however, for Open Meetings allow anything between 2 and 5 hours

NAFAS policy regarding postings on Social Media:

'NAFAS recommends that permission must be sought from the designer and the event organiser prior to any images being posted on social media.'
