

Would *you* like to learn about

Dutch Flemish Flower Paintings?

The influence of the **Georgian Era** upon modern day floral art?

Learn about the lavish décor of Victorian Times and The Language of Flowers?

When flower containers were of “all conceivable and inconceivable shapes”

These examples are a drop in the ocean of the time travel we will encounter on the day. Every era covered will inspire and unlock knowledge you possibly did not know you had!!! Most of all, it will enhance your confidence to use that knowledge, within your own personal world of flowers.
